

ELMSFORD UNION FREE SCHOOL DISTRICT

PRIORITY STRATEGIES

- Develop a formal, district-wide system to identify and monitor at-risk students and provide appropriate intervention. Implement strategies and policies to increase the on-time graduation rate and decrease the dropout rate.
- Develop and implement a short- and long-range plan to upgrade, repair and maintain district facilities.
- Implement programs district-wide to increase and celebrate academic rigor.
- Increase initiatives to improve the literacy readiness skills of children ages 0-4.

MEDIUM & LONG-TERM STRATEGIES

- Continually evaluate and systematically align K-12 curricula, instruction and assessments to local and New York State standards.
- Provide quality, sustained professional development that directly supports our strategic targets and priorities.
- Implement a system-wide culture of data-based decision-making.
- Implement sustainable parent and community initiatives that meet the needs of our diverse community.
- Maximize the impact of professional learning communities: refine the purpose, provide training and evaluate effectiveness.
- Investigate alternative grade-level and building configurations.

ADDITIONAL BOARD OF EDUCATION STRATEGIES

- Increase public relations initiatives to positively promote the Elmsford Union Free School District
- Develop and promote a fiscally responsible budget that supports high quality programming in all areas of the Elmsford Union Free School District.
